CERTIFICATE OF AUDIT

We have examined the books and records of the Town of Effingham and have found them to be correct and in good order.

PHILIP L. MARTIN
PAUL D. POTTER
Auditors

February 6, 1975.

EFFINGHAM PLANNING BOARD

The Board continued in establishing proper interpretation of the relatively new "Subdivision Regulations". During fiscal 1974, the following transpired:

12 Regular meetings
2 Special meetings
3 Special public hearings
17 "on-site" inspections
5 Subdivision approvals
2 successful litigations
1 Pending litigation

Attendance of members at meetings, inspections, and public hearings has been excellent. A broad set of working rules has been established which has given the Town an understanding and cooperative attitude on the part of both individuals, and large-scale developers.

The U. S. Soil Conservation Service, using a base map of Effingham, supplied by the Lakes Region Planning Commission (which is a service available to members), is preparing the following maps:

1) Soil conditions
2) Septic Limitations
3) Wetlands
4) Homesite limitations
5) A slope overlay

The above will insure that no land is developed or built upon in a manner that exceeds its limitations.

Respectfully submitted,
GEORGE F. MUELLER, Chairman
Effingham Planning Board

HEALTH DEPARTMENT

Herewith are the activities of the Health Officer for the Town of Effingham for the year 1974.

Eight new sewage systems were installed, inspected and approved as required by law, and the proper reports made to the Water Pollution Board in Concord.

Two applications for Foster Homes were investigated and approved.

A survey was made for the newly authorized sewage disposal site in the town, followed by three periodic inspections of the operation of the facility, and at each inspection everything was found to be satisfactory.

One contagious disease within the town was reported to the State Health Department.

Three dead animals found within the limits of the highways were buried.

One summer resident was ordered to pick up trash scattered from his vehicle on the highway.

Respectfully submitted,
ALLEN F. CRABTREE
Health Officer

FOREST FIRE WARDEN'S REPORT TO TOWNS EFFINGHAM

All open burning when the ground is not covered with snow is controlled by the Town Forest Fire Warden in cooperation with the New Hampshire Forest Fire Service. Anyone wishing to kindle a fire out-of-doors when the ground is not covered with snow must have a written permit signed by the Town Forest Fire Warden. If the fire is to be kindled on land not owned by the person kindling the fire then he must have the permission of the landowner. No outdoor fires can be kindled between 9 A. M. and 5 P. M. unless it is raining, without the additional approval of the District Forest Fire Chief.

The 1974 forest fire season was one of the worst in the past two decades. Woodlands in central and southern New Hampshire became so dry in mid August that the Governor and Council, upon the recommendation of the State Forester, enacted a partial woodlands closure in Sullivan, Cheshire, Hillsborough, Merrimack and Belknap Counties and a complete woodlands closure in Strafford and Rockingham Counties plus the Towns of Barnstead, Gilmanton and Alton in Belknap County. Through the excellent cooperation of the citizens of our State no major forest fire occurred at any time during the year.
